Dear Member Organizations of the FYEG,

We would like to show our support for the candidacy of Zuzana Pavelková to become a member of the Executive Committee.

We know Zuzana as a spontaneous and hard-working person. Zuzana's role was crucial in the preparation of the Global Young Greens congress. Her work in the preparation team shows that she works in a very structured way and that she has great organizational skills. We got to know her as a trustworthy and intelligent person. This also shows that Zuzana not only has a vision for FYEG, but that she also has very concrete ideas for how she can put these ideas into practice. Also, we believe that it is very important to have someone in the Executive Committee with such good knowledge of migration. Therefore, we believe that Zuzana is of great value for the work of the EC.

On behalf of DWARS,
