

To the delegates at the FYEG General  
Assembly 2017

## SUPPORT LETTER FOR ZUZANA PAVELKOVÁ

Berlin, 27/04/2017

Dear Delegates at the FYEG GA,

hereby we would like to express our deepest support for *Zuzana's* application as EC Member of the Federation of Young European Greens. We definitely think that she has the capacity, motivation and enthusiasm to carry on the idea of FYEG in the next year and that she will definitely enrich the organization's future work.

As *Zuzana* has already outlined his political convictions herself in his application, we do not think that we have to go further into details, but rather want to stress a few of her more personal qualities. Having worked with her in numerous occasions, we enjoyed her enthusiasm and ability to get other people involved. Besides her great motivating skills, she also works well-structured, can organize discussions and lead them to a result, and if necessary, get things done. Furthermore, she is always eager to learn new things, considering topics from all sides, and is really great in working with people from diverse cultural and geographic backgrounds speaking different languages.

With her skills and personal qualities, her knowledge about and contacts within the international green movement as well as, especially during the GYG Congress, her past engagement and experiences with FYEG, we whole-heartedly support *Zuzana's* application as EC Member of FYEG. We wish her all the best and would love to start working further with her in this position.

If you have any questions or wish to have further information, please do not hesitate to contact the international coordination of the GRÜNE JUGEND by writing to [internationals@gruene-jugend.de](mailto:internationals@gruene-jugend.de).

Yours sincerely,

Anna Peters, Ann-Christine Herbold, Anna Hochmuth, Julius Rupprecht, Anton Jaekel, and Clara  
Kiesbye
