Support letter for Zuzana Pavelková as an EC-Member of FYEG

Dear green friends,

Swiss Young Greens support the candidacy of Zuzana for one of FYEG's female EC positions. Zuzana is actively involved in the young green movement and FYEG in particular. We appreciate her activism and contributions to FYEG.

We are convinced that Zuzana will do a great job in the EC. Swiss Young Greens were particularly impressed with her significant contributions to FYEG's 2016 GA in Prague and the Global Young Greens' 2017 Congress in Liverpool. Furthermore her language skills will be precious in involving the different MO's and their members.

We wish her good luck for the upcoming elections at the GA in Madrid and are looking forward to working with her!

sustainable and warm regards,
